# Tri-County YMCA Behavior Management Policy

The YMCA teaches the core values of caring, honesty, respect, faith, and responsibility. It is our goal to provide a healthy, safe, and secure environment for all children and staff. Children who attend YMCA programs are expected to follow the behavior guidelines and to interact appropriately with other children and the staff. Due to the large group format of our program, the YMCA is unable to provide one-on-one care for a child except for an intermittent basis, such as injuries, immediate disciplinary issues, and certain personal care needs customarily provided to other children.

## Behavior Management Techniques – YMCA Staff will:

- Involve the children in the development of the “camp rules.”
- Maintain consistent behavior expectations and reinforce the YMCA’s Five Core Values.
- Guide children by setting clear, consistent, fair limits for program behavior.
- Redirect children to a more acceptable behavior or activity.
- Make eye contact and listen when children talk about their feelings and frustrations.
- Guide children to resolve their own conflicts.
- Use effective praise that is immediate, sincere, and specific.
- Modify and structure the environment to attempt to prevent problems before they occur.

## Discipline Action Steps – YMCA staff will utilize the following Behavior Management Guidelines:

- **Personal Time** – Removal of the child from a situation so he/she can regain control of his/her behavior.
- **Parent Communication** – Parents will be informed at the end of the day about their child’s behavior.
- **Behavior Report** – A child’s behavior may result in the child being given a behavior report. Three behavior reports during the summer will result in a one-day suspension of the child. If the child receives a fourth behavior report after returning to camp, the Site Supervisor/Assistant Site Supervisor will suspend the child immediately and a meeting will be set up with the parents and child to discuss behavior management options and the child’s future participation in camp.
- **Suspension** – Serious behavior problems will result in immediate suspension and the parent will be responsible for picking up the child immediately. The suspension period, which would be determined by the Site Supervisor or Assistant Site Supervisor, could range from 1 to 3 days.
- **Removal**– The YMCA Summer Camp program cannot serve children who display chronically disruptive behavior. Chronically disruptive behavior is defined as verbal or physical activity which may include, but is not limited to, the following:
  - Behavior that requires constant/one-on-one attention from the staff.
  - Behavior that inflicts physical or emotional harm on other children, self, or the staff.
  - Behavior that disrupts the program on a continuous basis.

If a child cannot adjust to the program setting and behave appropriately, the child may not be able to continue attending the program. Reasonable efforts will be made to assist children in adjusting to the program setting.

**Please keep the top part for your records. Please complete the bottom and attach to your child’s registration form.**
