

## FIELD TRIPS

Tell City Camp will be taking field trips on Thursdays this summer. The field trip location and time will be listed on the weekly schedule. The cost of the field trip is included in the daily camp price.

## WHAT HAPPENS IF MY CHILD IS ILL?

A sick child is to be kept at home for his or her own sake and that of the other children and staff. Any child that demonstrates the signs of fever (100.5° or greater) or illness will be sent home from camp. Please do not send your child back to camp until the symptoms of fever and/or contagious illness have been absent for 24 hours without the aid of medication.

## MEDICATION

If your child has a need for medication to be administered by a staff member during the camp day, you will need to give us the original container in which the medication was received, child's name, times to administer, and type of medication. Please only send enough medication for one day. Parents will sign the medication in each day and staff will initial when it was administered.

## HOW DO I SIGN MY CHILD IN AND OUT EACH DAY?

Whenever you drop off or pick up your child, you must enter the building to sign your child in/out. You will park in the student parking lot and enter Door #16. You will need to be buzzed in. Once you enter the building, there will be a table set up with the camp binders. The kids will be listed in the appropriate camp binder (ACE and STAR) and be in alphabetical order. You will find your child's name and sign him/her in. When picking up, you will locate the binders on the table and follow the same procedure for signing your child out. If you arrive after 9:00 a.m. or before afternoon snack, we may be starting or finishing up our activities and may be located in the cafeteria, in one of the gyms, or outside. All persons picking up children must be willing to show a photo I.D. when picking up a child and be listed on the pick-up sheet provided on the registration form. If at any time, someone needs to pick up your child but was not included on the pick-up list, please follow this procedure:

1. A written note given to the staff when you drop off your child in the morning.
2. If your child is already at camp, please contact the staff at the camp site and inform them about the pick-up change for the evening.

## CLOSING

The camp day will end at 6:00 p.m. There will be a late charge assessed at \$1.00 per minute per child after closing time. Your child may not be accepted back to camp until the late fee is paid in full.
