

**FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

At the Tri-County YMCA, our mission is to put Christian principles into practice through programs that build a healthy spirit mind and body for all. We strengthen our members and communities through offering a variety of services, such as health and wellness programs, summer camps, family time, and childcare. We're more than just a place to work out. At the Y, we help build a healthy spirit, mind and body for all with the core values of caring, honesty, respect, responsibility, and faith at the heart of everything we do.

With a commitment to **nurturing youth development, promoting healthy living, and fostering a sense of social responsibility**, the Y ensures that every individual has access to the essentials needed to learn, grow, and thrive.
