Youth and Government for Grades 6-12 Tri-County YMCA

We are excited to start this program at the Tri-County YMCA!

Join us for our **Welcome Meeting on Sunday, August 24 at 1:30 PM EST** to learn more about this program!

The Indiana YMCA Youth and Government Program is an exciting opportunity for youth to step into shoes of the individuals who run our State Government!

This program provides students in grades 6-12 the opportunity to study and debate public issues, learn the different parts of our state government, and participate in events that shape growth, public speaking skills, social skills, leadership skills, and more!

What is Indiana Youth and Government?

INYaG is a program for teens across the State of Indiana that helps students to:

- Learn about our Indiana government
- Research, study, and write bills on public issues
- Interact with adult mentors, leaders, and other students
- Learn to appreciate other view points
