

Tri-County YMCA Group Exercise Class Descriptions:

***All of our group exercise classes, no matter the impact level can be modified for all levels of fitness.

BODYPUMP™: A class centered around the barbell. The class will strengthen the entire body, challenging major muscle groups by using the best weight-room exercises such as squats, presses, lifts and curls. The routine is choreographed to an awesome music playlist that makes the workout fly by.

Kickboxing: Get ready to punch and jab your way through this class. This class combines elements of strength and cardio. Boxing gloves are recommended.

RPM™: RPM™ is the indoor cycling workout where you ride to the rhythm of powerful music. Take on the terrain through hills, flats, mountain peaks, time trials, and interval training.

Tabata: A high-intensity interval training (HIIT) workout that involves alternating 20 seconds of intense exercise with 10 seconds of rest.

HIGH FITNESS: HIGH Fitness is breaking the mold, and taking a bold, unique approach to group fitness – it's not fitness, it's HIGH Fitness. HIGH took Old School Aerobics and transformed it into a modern, heart pounding, fun, and effective workout.

UPBEAT BARRE: UpBeat Barre combines strength training, Pilates, cardio, and yoga into a high-energy fusion of fun. UPB rocks popular tunes for an intense and accessible muscular-endurance workout.
