Sensory Swim

Sunday January 25th
TRI-COUNTY YMCA

Join us for Sensory Swim, a swim session designed to provide a calm, supportive, and inclusive environment for individuals who prefer a quieter swimming experience. During Sensory Swim, the lights are dimmed, music will be turned off, and water features remain off. This session is ideal for children and adults with sensory sensitivities.

All participants must be supervised by a parent, guardian, or caregiver at all times. This ensures the safety and comfort of every swimmer and helps maintain a calm, supportive environment for everyone in the pool area.
